

## ESKASONI MENTAL HEALTH SERVICES IS HIRING 1.5 CLINICAL MENTAL HEALTH (MASTER'S LEVEL) POSITIONS!

Eskasoni Mental Health Services is dedicated to providing high-quality mental health and addiction services, across the lifespan that are culturally appropriate, community-based and community-led. We aim to achieve excellence in mental health and addiction service delivery by working as individuals, as a team, and as a community to create healthy people and a healthy community. Our employees enjoy a casual work environment, opportunities for development, and a real opportunity to make a difference. We are looking for individuals not just with strong clinical skills (although this is the priority) but also those with an openness to sharing their creative talents or passions to enhance the well-being of our community, clients, and our workplace.

### **Key Responsibilities Include:**

- ✓ Provides direct clinical mental health services, including screening, assessment, crisis intervention, and treatment to clients within the IRS, ACCESS, and Eskasoni Mental Health Services departments.
- ✓ The position involves coordinating and supervising the planning, delivery, and evaluation of evidence-based counseling and treatment services to clients and their families with mental health, addictions, and/or concurrent disorders.
- ✓ Provides clinical consultation to Clinical Support, Case Management, Crisis, Residential School Survivor, and Youth Resource and ACCESS staff.
- ✓ Provides evidence-based educational and therapeutic groups as well as individual and family therapy.
- ✓ Provides training and education to internal and external service providers.

### **Successful Candidates will have:**

- ✓ A minimum of a Master's degree in Psychology, and/or Social Work, and/or Counseling, and be Registered, or eligible to be registered, with the Nova Scotia Board of Examiner's in Psychology/ Nova Scotia Social Work Association or other relevant governing and licensing Board).
- ✓ At least two years relevant experience in the delivery of a full range of mental health services.
- ✓ At least two years' experience in the provision of individual, family and group therapy programs to clients in an outpatient mental health setting.
- ✓ Knowledge, and experience of First Nations political, governance, and community structures and have an understanding of issues affecting First Nations peoples.
- ✓ Experience with Crisis Response, screening, assessments, clinical interventions, and community programming
- ✓ Specialized expertise in providing individual and group evidence-based treatment in the areas of mental health, addiction and concurrent
